

The Cullinan

Description

Welcome home:

“ Experience European flavoured interior design. Upon entering, It is immediately clear that The Cullinan has drawn inspiration from its surrounds. The design somehow manages to encapsulate the peace and harmony of the area, and a sense of space only enhances this feeling.

“ Come home to luxury residential design that delivers outstanding quality. Standard features include Smart LED, intercom and air conditioning, and optional home automation including electric curtain/blind, audiovisual system.

Luxury awaits:

“ Located in the heart of the Adelaide CBD, The Cullinan takes style, amenity and convenience to luxurious new heights. Live in stunningly designed apartments and experience unsurpassed levels of service that make daily life a breeze. Relax in leisure and entertainment spaces designed to complement your modern lifestyle.

Local flavours:

“ The Cullinan will be the perfect place for you to start and end your day. With a selection of ground floor retail, it seeks to provide you with gourmet groceries, perfect coffee and tasty meals. It is the perfect place to grab food on the go or to enjoy a relaxed morning breakfast with friends just steps away from your new home.

Unique outlook:

“ Stylish open plan living areas integrate with practical balcony, 2.7 meter floor to ceiling windows opens out to the never to be built out extraordinary panoramic tree canopies. Gaze out to views of lush landscaping of Light Square.

“ One, two or three bedrooms apartment, all bedrooms with full width floor to ceiling windows to maximise natural light. Most of the two and three bedrooms apartments have dual aspect to promote cross ventilation.

Smart features:

“ The Cullian boasts the most hi-tech automated car parking system in Adelaide. Known as the Horizontal Puzzle Park, you™ll be able to access your car with the press of a button.

“ A long-range RFID reader that automatically senses your access fob and transforms the building into a “Touchless Building” . From the time you enter at the main entrance go from getting into the lift and going up to your apartment level without touching a single button.

“ Each apartment is fitted with a fully integrated smart home system where you can control the lighting, air conditioning and intercom using your mobile phone.

Parkland Vista:

“ The Cullinan is situated on the southern side of the Light Square, with never to be built out parkland vista. Moments from everywhere, miles from the rush. The city of Adelaide is at your fingertips. Lush parklands, schools and public transport are all within walking or cycling distance
